

## GODDARD FAR STRONGER

### Ran up Big Score Against Richmond Athletics

### RICHARDSON WAS A STAR

He Threw Eleven Baskets Last Night, While Bressor of the Visitors Shot Eight While Left Unguarded by Carr.

The score in the basketball game, played at the Church street gymnasium last evening between the Goddard seminary five and the Richmond Athletics club teams, was 38 to 20 in favor of Goddard at the end of three 15-minute periods of uninteresting play.

It was evident from the start that Goddard was the superior team, although weakened by the absence of Moore, one of the regular forwards, who was not playing. Inability to shoot baskets when opportunity offered and slow work in passing were the causes of the Richmond team's defeat. Richardson played a star game at forward for Goddard, shooting a total of 11 baskets from the floor.

Bressor of the Richmond team scored all of the baskets from the floor that his team had, with one exception. Bressor played a strong game but his number of baskets would have been considerably smaller had Carr, who was playing against him, played his guard position more thoroughly, instead of attempting to shoot so many baskets as he did.

The first period ended with the score 23 to 5 in favor of the seminary team. In the second period, the Richmond team played a harder and faster game, with more success in shooting baskets, and held its opponents to 10 points, while securing 11 itself. Goddard did some general work in the final period, and every member of the team got at least one from the floor, the number of points totaling 19 to Richmond's 10.

The game was played under the rules which allow dribbling with one hand only and shooting from the dribble, and this made the game considerably less lively than it would have been had the usual professional rules been used, allowing dribbling with both hands.

The line-up:

Goddard Sem. Richmond A. C.  
Spaulding, F. . . . . Berry  
Richardson, F. . . . . Carr  
Carr, C. . . . . Kennedy  
Chepple, G. . . . . Carr  
Kennedy, G. . . . . Carr  
Bressor, G. . . . . Carr

Summary: Baskets from the floor, Richardson 11, Bressor 8, Spaulding 6, Carr 5, Chepple, Gero; from fouls, Spaulding 10, Kennedy 8; referee, Derrick; umpire, Abby; time, three 15-minute periods.

### SOMERVILLE IN RUTLAND.

### Slippery Wrestler Announces He Will Winter Over There.

Bob Somerville, the wrestler, has moved again, this time to Rutland, where he announces that he will be located this winter. He stopped for a time in Burlington, while first returning to the United States from England, but Fritz Hanson seems to have dug his roots firmly there. The Rutland Herald announces Somerville's change of residence as follows:

"Bob Somerville, the champion lightweight wrestler of the United States and England, will train during this winter and is ready to meet all comers in his class. This announcement will be greeted with delight by the sporting men of this vicinity, as this city has seen little good wrestling for many years. Arthur W. Daley, the well known sporting man, proprietor of the Colonial bowling alleys, was instrumental in bringing Mr. Somerville to Rutland, and he expects to put on several bouts here this winter."

"This wrestler, who is 25 years old and of Scotch descent, has followed the wrestling game ever since he was a boy. He won the American championship from Tommy Lacey, whom he defeated at Adams, Mass., the bout lasting six hours. He also defeated Young Muldoon and practically all of the other lightweight wrestlers of any prominence in this country."

"He is not unknown in Vermont, as he trained at Barre last winter in preparation for his bout at Barre, Eng. and, with Tom Rose, for the 135-pound championship of that country. He won the bout with Rose, wrestling three hours Friday and two hours Saturday, about 12,000 people being present. He won a large silver cup in this contest and also won the 130-pound championship at Oldham, England. Both of these cups will be exhibited in this city later."

"Mr. Somerville states that he will wrestle anyone at 135 pounds for a purse of from \$500 to \$1,000. He will be glad to arrange bouts with Vermont wrestlers. All negotiations for bouts should be conducted through Mr. Daley."

"While in Barre last winter, Mr. Somerville put on several bouts, which drew immense crowds, including many women. Among his opponents was Eugene Trembley, the Canadian champion. The articles called for a two hours' bout, neither wrestler securing a fall. Mr. Somerville is stopping at the St. James hotel on West street for the present."

### LONG SESSION OF CABINET.

### Discussion of Coming Special Messages Yesterday.

Washington, Dec. 8.—Yesterday's cabinet session at the White House lasted for nearly three hours. The early part of the sitting, it was said, was taken up with the usual routine of the departmental affairs. The president discussed in some detail with the members of his official family various features of his forthcoming special messages to Congress on the subject of amendments to the interstate commerce and anti-trust laws, and the conservation of natural resources. A special message on Nicaragua may be sent to Congress within the next two weeks, or may be delayed longer than that, according to developments.

## Sarsatabs

Chocolate-coated tablets, combine the most successful remedy for all ailments of the stomach and bowels, with a powerful laxative and a pleasant taste and smell. Sarsatabs are a most effective and pleasant remedy for all ailments of the stomach and bowels. Sarsatabs are a most effective and pleasant remedy for all ailments of the stomach and bowels.

## PAYNE SNUBBED BY THE SPEAKER

### Republican Floor Leader Not on Committee

### TO NOTIFY THE PRESIDENT

May Lead to More Trouble—Cannon Angered by Attempt to Force Some Real Downward Revision in the Tariff Bill.

Washington, Dec. 8.—The tongue of congressional gossip is extremely busy with the failure of Speaker Cannon to put Representative Sereeno Payne, chairman of the ways and means committee and Republican floor leader, on the committee to notify the president that the House had assembled.

It is looked on as meaning a serious breach between Cannon and Payne. That it is a distinct snub to Mr. Payne cannot be denied. From time immemorial the Republican floor leader has been on this committee. Representative Bennett of New York was put on in place of Payne. Representative Dabell of Pennsylvania was accorded his accustomed honor.

While it is explained that Mr. Bennett had objected to his committee assignments and the speaker wanted to appease him, this does explain why he should have been placed on Payne's committee.

It is well known that "Uncle Joe" and Payne have been at odds since Payne tried to force into the tariff bill some downward revision features the speaker did not want. The question is how far the snub to Payne will lead to trouble the rest of the session.

### TAFT DISTRIBUTES PLUMS.

### He Makes About 1200 Federal Appointments.

Washington, Dec. 8.—President Taft yesterday sent to the senate a list of about 1200 names in the federal offices. Practically all are renews appointments that have been announced from time to time as made, and postmasters in the smaller cities, and census supervisors. One of the important new appointments is that of the reappointment of Franklin Lane as a member of the Interstate Commerce commission. Sanford B. Dole, former president of the Hawaiian Islands, has been named by President Taft as United States judge for the territory of Hawaii. Abraham M. Tiffan has been named as United States attorney for the middle district of Tennessee.

### \$30,000,000 FOR IRRIGATION.

### Was Provided in the Bill by Senator Borah.

Washington, Dec. 8.—Provision for a \$30,000,000 revolving fund to be used in the completion of government irrigating projects is made in a bill introduced yesterday by Senator Borah. It provides for the issuance of three per cent bonds to the amount named, payable out of the reclamation fund at any time not earlier than ten years from date of issue, and not later than twenty years. The irrigation commission, which visited practically all of the irrigation projects during the summer and fall, has not endorsed the Borah plan, and sharp controversy is anticipated in the efforts to have it enacted. Senator Borah maintains that the public land fund, aggregating revenues of about \$9,000,000 a year, is insufficient to complete within a reasonable time the many projects under construction. Until the projects are finished there can be no replenishment of the fund by settlers who will be the users of the water. The Borah bill does not contemplate any appropriation from the treasury for the redemption of the bonds.

### SEEKING THE "PORK BARREL."

### Congressmen Prepare for Usual Opening.

Washington, Dec. 8.—Judging by the talk about the corridors of the capital, congress is little impressed with the agitation to abolish the log-rolling involved in the old-time public building and rivers and harbors bills, and members are framing up their requests with the conviction that the "pork barrel" will contain about as much meat as of yore. A counter-argument to that for a scientific programme for developing inland water ways, which will be urged by the Rivers and Harbors Congress this week, is that for a billions dollars a four-track railroad could be made to gridiron the United States in all directions, which would give adequate facilities for transit so rapid that the waterways would be comparatively unused.

### JOB FOR ELIOT.

### President May Name Him as Indian Commissioner.

Washington, Dec. 8.—President Taft is said to have indicated his intention of appointing Samuel Atkins Eliot of Cambridge, Mass., son of Dr. Charles W. Eliot and president of the Unitarian association of America, as a member of the Board of Indian commissioners.

### TWO NEW REAR ADMIRALS.

### Rank Given on Osterhaus and Dillingham.

Washington, Dec. 8.—The rank of rear admiral was yesterday conferred upon A. C. Dillingham and Hugo Osterhaus by the Navy Department. Rear Admiral Osterhaus has been assigned to the command of the fourth division of the Atlantic battleship fleet.

### MARSHALL FIELD'S WEALTH.

### Twenty-eight Months' Net Income Is \$34,922,349.

Chicago, Dec. 8.—The net receipts from the estate of the late Marshall Field from March 1, 1907, to Jan. 30, 1909, were \$34,922,349, according to a report filed in the probate court by the executors.

## Advice to Women

### A Message from a Famous Beauty Specialist to Women Lacking in Energy and Vitality.

Thousands of women vainly attempt to improve their complexion and to remove blackheads, crows' feet and other blemishes, through the use of cosmetics. This treatment fails, because the trouble lies far deeper than the skin. They are suffering from impure and impoverished blood. This condition is in many cases due to a catarrhal condition of the whole system, which finds its expression in sallow, muddy complexion, dark-encircled eyes, general weakness of the system, and perhaps most plainly in the weeping of mucous membranes, that is commonly called catarrh.

In fact, this whole tendency is, properly speaking, catarrh. Banish this catarrh, and the complexion will clear as if by magic, eyes will brighten, faces become rosy and shoulders erect. Perfect beauty goes only with perfect health, and perfect health for women can only be obtained through one certain treatment—that which will cure catarrh.

Mrs. Swift, New York, the famous beauty specialist known throughout the world and an accepted authority on all relating thereto, states that the one positive and permanent relief for catarrh is Rexall Mucin-Tone. Here is her letter:

"I can strongly endorse the claims made for Rexall Mucin-Tone as a cure for systemic catarrh. Its tonic effects are remarkable. It builds up the strength and restores vitality. If women who are tired and run down, lacking in energy and vitality, will use Rexall Mucin-Tone, they will praise as I do, its strengthening and healing qualities."

Rexall Mucin-Tone works through the blood, acting thus upon the mucous cells—the congestion and inflammation of which causes local catarrh. This remedy causes poison to be expelled from the system, and the blood is purified and vitalized. Thus the natural functions of the mucous cells are restored, and the membranes are cleansed and made strong. We know that Rexall Mucin-Tone relieves catarrh. We positively guarantee to refund the money paid us for this remedy in every case where the cure is dissatisfied. It is a builder of vigorous health and a creator of good complexion. Price, 50 cents and \$1.00 per bottle. Mail orders filled. It may be obtained only at our store, The Rexall Store, Red Cross Pharmacy, Bart H. Wells, proprietor.

### JOHN DREW BADLY HURT.

### Famous Actor Thrown from Horse and Trampled Upon.

New York, Dec. 8.—John Drew, the actor, was thrown from his horse while riding with his daughter in the bridge path in Central park yesterday and seriously injured. The horse trampled on the prostrate actor, as he lay on the ground. A passing automobile drew up, and Mr. Drew was picked up and hurried to the Presbyterian hospital. The full extent of his injuries is not known. John Drew is at present appearing in a play in this city.
